

**APA Los Angeles**

**2016 Awards**

*Call for Nominations*

We need your help in identifying and nominating outstanding planning projects, activities, and individuals in the Los Angeles region for the 2016 American Planning Association (APA) Awards. This is your opportunity to gain recognition for the efforts of your Department, Firm, or City in contributing to the field of planning.

The local level of the awards program, run by the Los Angeles Section of the American Planning Association (APA Los Angeles), will accept nominations until **Wednesday, March 16, 2016**, in 24 categories including awards for planners, elected officials, planning schools, and journalists working within Los Angeles County. Additional information about the categories and the nomination process is available on the APA Los Angeles website at [www.apalosangeles.org](http://www.apalosangeles.org). The APA Los Angeles winners will be invited to proceed to the statewide competition and the California Chapter winners will compete for the National APA Awards.
